

We are pleased to now offer you ETHANOL-FREE GASOLINE!

Here are some of the benefits of Ethanol Free Gasoline:

- Ethanol Free Gasoline is more stable than gasoline blended with ethanol. This is important for vehicles and equipment that are used and stored seasonally (Boats, snowmobiles, power tools, etc.)
- **Ethanol Free Gasoline will not absorb water like ethanol blended fuel.**
- Ethanol Free Gasoline is compatible with older engine (1980s and older) parts such as hoses, carburetors, and gaskets. Ethanol has been found to deteriorate these engine components over time.
- Ethanol Free Gasoline will not cause rust and carbon deposits in small engines. Ethanol blended gasoline has been shown to cause such problems.
- Ethanol has less energy per unit volume than gasoline, so burning it results in a reduction in miles per gallon.

Ethanol Free Gasoline can be found at the following Blarney Castle locations:

Alpena North EZ Mart - 1035 W. Chisholm, Alpena MI

Brethren EZ Mart - 4630 Keister Rd., Brethren MI

Parkview Service Center - 302 W. Ludington Ave, Ludington MI

Adventure EZ Mart - 3003 Whitehall Rd., Muskegon MI

Spirit of Onekama - 5028 Main St., Onekama MI

and also at:

Long Lake Grocery - 9532 N. Long Lake Rd., Traverse City MI

Courtade's - 233 High Lake Rd., Traverse City MI

Bayview Party Store - 531 Main St., Frankfort MI

Max's Station - 17135 Sixth St., Arcadia MI

Glen Arbor Quick Stop - 6052 Western Ave., Glen Arbor MI

Harbor Springs Car Care - 693 State St., Harbor Springs, MI
